Alateen Transportation Form

Copy of Emancipation Paperwork

(Emancipated teens age 17 or under completing this form for themselves must provide a copy of the emancipated paperwork from Juvenile Court to the Event Registration Chair for secure retention by AFGG.)

IMPORTANT

If a teen is not accompanied by a parent/legal guardian, the Alateen Transportation Form must be completed.

An Alateen member MAY NOT stay overnight with anyone other than a parent or legal guardian. If the Alateen is attending just for the day, it is with the full understanding that no medication will be administered to the Alateen, except by a parent or guardian.

This fully completed, signed form (and emancipated paperwork if appropriate) must accompany other required registration forms, be kept in a covered binder or folder by the authorized person or transporting AMIAS, and then submitted to the Registration Chair at that event. The Registration Chair (Alternate Delegate at Assembly and AWSC) will electronically scan this form at registration and return the original to the authorized person or transporting AMIAS, who will return it to the parent/guardian. The Registration Chair will send the scanned copy to the AAPP for secure retention after the event.
